

RICHIE BRANCO

IS HERE TO ENTERTAIN YOU

RICHIE BRANCO

SOLO, MALE/MALE DUO, MALE/FEMALE DUO, TRIO OR BAND

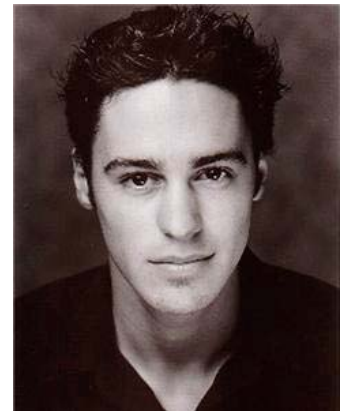

Richie may be described as “Eye Candy” by the ladies but that isn’t the only reason why he is repeatedly booked for return live performances...

Venue managers understand that Richie is something special. He mixes his exceptional voice with a natural flair for guitar and interacts with his audiences to produce captivating performances.

The spotlight is this sensational entertainer’s friend because entertainment flows thickly through his veins. Lead roles in musicals, television series, commercials combined with a history of stage work in licensed premises have forged Richie into one of Sydney’s most engaging cover artists.

Richie’s like a chameleon. His vast repertoire is able to warm all audiences and he can modify his format to suit any venue’s requirements. For example Richie can be booked in:

- solo acoustic format
- male acoustic guitar duo format – shared vocals
- acoustic guitar and keys duo – shared vocals
- acoustic guitar with a female vocalist
- numerous amounts of trio/band options
